

BINGHAM CANYON (UTAH) [78]

RECORDER'S OFFICIAL RECORDS, ca. 1921 - 1952

1 reel 35mm microfilm

DESCRIPTION: This series contains the surviving files of recorded documents from the City Recorder's Office. Documents include wills, contracts, affidavits, and other documents which were filed with the City Recorder. The documents are maintained in order to establish a record of the materials filed in the recorder's office. Documents may be filed in the recorder's office in order to have proof of their existence and their existence at a certain date. A search of the statutes governing the authority of municipal recorders did not reveal that they had any authority to record documents for private citizens, so the purpose and legal status of these filings is unclear.

ARRANGEMENT: Chronological by date of document.

RELATED RECORDS: County clerks are authorized to record certain types of documents for individuals. For this sort of record for the Bingham Canyon area, see Salt Lake County Clerk OFFICIAL RECORDS, series 6988.

PROCESSING NOTE: Processed by Paul G. C. Smith in 1996. Microfilmed and originals destroyed in May 1996. The value of these records lies in their informational content only.
